The Direct Billing option enables those receiving lessons to deal directly with Coventry Music as the provider. This can be beneficial in supporting the wider musical journey of your children. Please note that requests will be processed to start in January 2025. Payments will be collected over 7 months.

Prices are:-

Lesson Type	Cost (per month over 7 months)

Through direct links with Coventry Music as well as more direct contact with your music tutor, Coventry Music will signpost you to out of school music groups, performances and other activity to develop, support and enhance the music provision both in school and through instrumental/vocal lessons. These lessons will usually take place during the school day** in either an individual or shared/group lesson.

*These are the only instruments we are currently able to offer tuition for at this school. Please note that we will not currently be able to fulfil any requests for music tuition for instruments not included within this list.

**Lessons will normally take place within school, but arrangements are sometimes made if it is deemed more suitable for the tutors and students for lessons to take place at our Drapers’ Hall music centre venue or other Coventry Music group location. Lessons will start once direct debits are set up and at least 1 hour of tuition has been agreed for each tutor in school, who will then arrange a day/time to start the lessons.

Yours sincerely

Mark Steele
